

LEVI DR-A097

This mini system can be recessed or surface mounted and can double as a spot or wall washer. Perfect for foyers, office spaces, shopping centres, art galleries and many other applications the Levi range offers luminaries that blend into the architecture due to their streamline and compact housing as well as offering a trimless version. Multi lumen packages due to the multiple connections of the single body (up to 8 lamps can be connected) enables the lighting to meet requirements for various uses and conditions. With low UGR the Levi is optimised for uniformity and visual comfort.
