

LUX PRO

For high power accent lighting in commercial, hospitality and retail, our Lux Pro series ticks all the boxes. With a minimal design the Lux Pro is supported by superior performance. A compact size, maintained right across the power range, low glare easy installation & convenient changeover of lenses & reflectors makes Lux Pro a great choice.

Applications: Offices, retail stores, shopping centres, cafes, restaurants, supermarkets etc.

PRODUCT FEATURES

- Light output, up to 4,100Lm
- Efficacy (up to 139Lm/W) delivering superior energy efficiency
