
LUX PRO

For high power accent lighting in commercial, hospitality and retail, our Lux Pro series ticks all the boxes. With a minimal design the Lux Pro is supported by superior performance. A compact size, maintained right across the power range, low glare easy installation & convenient changeover of lenses & reflectors makes Lux Pro a great choice.

Applications: Offices, retail stores, shopping centres, cafes, restaurants, supermarkets etc.

PRODUCT FEATURES

- Light output, up to 2,800Lm
- Efficacy (up to 100Lm/W) delivering superior energy efficiency
- Ideal for all commercial applications
- Colour rendering exceeds CRI:80
- Beam Angle: 60° (30° option available)
- CCT options: 3000K/4000K
- Up to UGR<19
- SDCM<3
- Protection rating IP54 weatherproof
- Available colour: white/black
- Dimming options on request
- Five Year Warranty
