

LOGAN ST-AC22

The Logan series offers a sleek track mounted spotlight with rotating lens head, the Logan is easily adaptable for accent lighting on a wall or vertically as a downlight. With an integrated driver the clever design of the Logan adjusts through 90° vertical plane and 355° horizontal plane. This luminaire is suited for art galleries, museums, retail stores and residential applications.

Optional selections include a choice of CCT colour, micro reflectors for even higher high efficiency, glass and honeycomb diffusers, and barn door cut off control.

Available in track spot and surface spot.
