

## CORNER PROFILE (FLS-2835-CR1818)

With its aluminium finish, this diamond shape corner profile is an ideal choice to protect LED strip lighting and perform as a heat sink to maintain longevity of the fitting. It offers several configurations with different LED strips and is available with a PMMA opal, frosted, clear or black diffuser cover. This profile is suitable for a variety of applications such as shelving, accent lighting, joineries, furnitures and under cabinets.

End cap

Mounting clip

Adjustable clip
