

GALLERY ST-C443

The streamlined and compact design of the Gallery series allows for a built-in driver. This compact luminaire is powerful enough for any commercial or retail application offering a versatile range of output levels and beam angle options, and our market-leading colour rendering. This spotlight series offers a compact design with the highest performance standards.

All our fixtures fit standard three-circuit track and adjust easily through 90° in the vertical plane and 355° in the horizontal plane. Options include the choice of CCT colour, body colour, honeycomb louvres, glass lens, elliptical lens and barn door cut-off control.

The Gallery series is available as a track spot or pendant configuration.
