

CARL ST-C460

The Carl series offers a sleek range of LED track lights ideal for retail, hospitality and general display applications. Carl offers a versatile range of light head designs, illumination levels and beam angles. With our market-leading colour rendering and easy adjustability, we confidently recommend Carl as an ideal luminaire to bring out the best in your design.

All fixtures fit a standard three-circuit track and adjust through 90° vertical plane and 355° horizontal plane. Options include CCT colour, onboard or on-track driver, glass, elliptical lens and honeycomb diffusers, and barn door cut-off control.

Available in surface mount and suspended format.
