

## OCTOPUS SR-C103

For a downlight that can double as a feature spot or wall washer, we present the Octopus series. With up to 3 lamp connections, this luminaire is compact and powerful. Our market-leading rendering makes this downlight ideal for any commercial or retail application. This functional and flexible downlight will meet the varying needs of architectural projects with a $355^{\circ}$ rotation and $70^{\circ}$ tilt.
