DORA ST-C463

The Dora series is a sophisticated LED track light option for accent lighting in retail, hospitality and general display applications. Our market-leading colour rendering, and easy adjustability confirm Dora's excellent suitability for these commercial applications.

All fixtures fit a standard three-circuit track and adjust through 90° vertical plane and 355° horizontal plane. Other options include the choice of CCT colour, a glass lens, an elliptical lens, barn-doors, a honeycomb louvre and a surface mounted canopy.

Also available in surface mount and suspended format.
